Highhills Limousins

The Highhills Herd of Pedigree Limousins was established By Kim, Linda & Richard Newburn, Halifax in 2015. A change in farming policy has forced the sale of 13 Cows & Calves, 1 Stock Bull & 3 Junior Bulls.

The herd is in a tB4 testing parish and of High Health Status and registered as:
Accredited Free of
BVD (since 5th March 2018)
IBR (since 21st January 2021)
Monitored Free of
Leptospirosis (since 6 December 2017)
And has achieved
Risk Level 1 Johne's Disease Status (since 8th January 2019).
Neospora Risk Level 4 Status (Since 21st January 2021).

All the cows have run with the run with the Bull "Elderberry Northerner" and have all been PD'd back in calf on 20th August 2021.

This is a genuine herd of cattle worthy of buyers attendance.
