MJ & RE DAVIS, RAVENSHAW FARM, ELDROTH, AUSTWICK, LA2 8AL

The Rathbone flocks of Beltex and Dutch Texel are based on a Yorkshire Dales hill farm. We run a commercial flock producing prime lambs and the aim with the pedigree flock has always been to supply rams with good carcass traits and longevity. Over the years for the commercial Beltex we have selected for a more head up conformation and mobility.

The Dutch Texel rams whilst still retaining good carcass traits are to produce a heavier more rapidly maturing lamb for the earlier market. Head up conformation and mobility are still selected for and strong maternal trait of mothering and milk production are inherited in the Dutch Texel females.

Procters Farm Ltd run a flock of pedigree Texel and Beltex ewes based at Tatham Hall farm, Wray, Lancaster. Our number one aim is to breed tups with good tops, skins and carcasses to suit the commercial buyer.

We are delighted to have been invited into the Bentham Belters sale this year and will have forward 11 strong Texel shearling tups, 4 Beltex shearling tups along with 8 Beltex gimmer lambs. These gimmer lambs would be ideal for anyone wishing to start their own Beltex flock or would be a great addition to any established flock.

All adult sheep on the farm are on the footvax and heptavac P system.

All enquiries are welcome to Jeff on 07971546623

We would like to take this opportunity to thank Bentham Auction Mart for running the sale and wish all buyers every success with their purchases.
