# Eaglerock Limousins

The Herd was established in 2014 with a trio of heifers purchased from Alan Myerscough's, Tallyrock Limousin herd. The Stubbs family have focused on breeding quality, using well known genetics from throughout the UK and France.

The herd has had numerous show ring successes at the Great Yorkshire Show, with the homebred bull Eaglerock Noir being a firm favourite, achieving rosettes in both 2017 & 2018.

The herd is within a tB4 parish and has a high health status, being accredited free from BVD & IBR and has a Risk Level 1 Johnes Disease Status.

The entire herd is offered for sale due to a change in farming practise and includes:

5 Stock Bulls

4 Cows with Calves at Foot

2 In-calf Cows

3 Maiden Heifers

This is a sale worthy of both established and new pedigree breeders attendance, as well as commercial herds. On-line bidding will be available.
