**** COVID PROTOCOL ****

Sheep Sale Tuesday 9th February

We strongly recommend all vendors to adopt the drop and go policy.

- Vendors should leave any instructions (luck money, reserves, lotting) in writing on the enclosed form at the unloading docks.

Should vendors insist on representing their stock, the following protocol applies and will be strictly adhered to:

- Once stock has been unloaded, vendors are to remain in their vehicles/outside of the auction buildings until their stock is due to be sold.
- Vendors should make arrangements with the office staff or auctioneers to be called to the ring ready for their stock to be sold.
- Vendors should not congregate around the sale ring, doorways or around the auction pens.
- Once their stock has been sold, vendors should then leave the sale ring and auction mart buildings immediately.
 - All protocol is subject to change as and when LAA guidance changes.

Please note this protocol is as per the LAA recommendations, whilst we appreciate this may be disappointing, it is for the safety of all customers and staff and to ensure the live auction system can continue to operate.
