Auctioneer's Report (Stephen Dennis): Once again, calves looked well sold, a smaller entry perhaps keeping trade competitive. Continentals generally lacking age and strength. However, a smart BB x bull from Messrs Knowles of Myers made £445 with heifers from the same home at £415 and £400. Calves from Lords Plain topped the BB heifer section at £420, a shapely bull calf from the same home also making £435. The overall top of the sale came from David & Val Lawson with a super Lim x heifer ideal to make a cow selling to Messrs Sweeting for £450. Angus bull calves as always keenly sought after topping at £370 on three occasions. A larger entry expected next week as Will returns from holiday.

Auctioneer's Report (Greg MacDougall): Bentham once again boasted one of he largest shows of prime hoggs in the country. At some points of the evenng, the show resembled something of a store sale with plenty of tail end ean hoggs in the entry. However, there were some fantastic runs of well fed sheep with the heavy hoggs once again he trade of the night, A antastic run of 400 from Skinner Bros of Melton Mowbray sold to average E163.85 topping at E193.50 with several pens well into the £180s. RL & AR Phillips, Fir Trees Farm copped the evening's trading at £205 with other pens to £200.50 and £200. R Lamont, Dunslaw enoyed one of their best rades of the season with Suffolks to £160.50 and Cheviots to £150. Local eeders Frank & Sue Towers never fail to show quality with a pen of 35 SBF to £151.50 also topping ppkg at 303.5p Heavy hoggs overall £170-£190

with the next weight bracket down 45kg-50kg, £100-£110 over their kilo weight. Nicer commercial export hoggs either side of 300p wit the smarter end 330-350p topping at 359.3p from JH Thornhill. Plainer types or hill bred sorts 270p-290p. Cheviots to 321.3p for a well drawn consignment from GW Thackray, Harewood with the heaviest £160-£170. Shropshire once again well represented by AV & G Ratcliffe with another great run of SBF and Cheviots averaging £135.97 topping at £143.50. Plenty of poorer sorts in the lightweight section with meaty types in general 280p with RL & AR Phillips in the headlines again, this time seeing 20 Beltex to 364.3p or £127.50. Poorer types now finding less of a demand and many selling at realisation. Overall average 284.8p.
